

Ant Man

Ants are crawling on the streets
Boy they've got class
Looking closely with a magnifying glass

No one knows how many ants there are
In fact I really think it's quite bizarre

I'm an Ant Man
Ant man
I take a stand for the ants
I'm an Ant Man
Ant man
I want to see them on the plants
I'm an Ant Man
Ant man
And if I could today
Ant Man
I'd become one right away
Ant man
aaaaay...
Ant man
